LAB & LARGE FORMAT

Development and printing, RA4 and gum bichromate processes.

PHOTOGRAPHY WORKSHOP portraits, fashion, swimwear & experiments in the LAB Masca, TENERIFE. Saturday, May 16 to Thursday, May 21, 2026

Frédéric and Alexandre invite you to participate in their first “photo + lab” workshop organized in Tenerife, in collaboration with and featuring models Anastasiia Chutteva and Racquel Brown.

The workshop is designed for six participants.

Technical and artistic support will be provided by the two organizers.

In an atmosphere that we want to be studious and relaxed, this workshop will help you develop:

- **Creativity:** by offering original locations and scenarios as well as technical and artistic support, we encourage the development of your creativity, particularly with an introduction to the “natural thinking” method.
- **Spontaneity:** sessions are planned and organized to provide you with a framework in which you can evolve freely, thereby promoting your personal artistic expression.
- **Technique and operational implementation.** With nearly sixty years of combined experience in the fields of reporting, fashion, and art photography, your hosts will introduce you to the basics of model direction and help you find the balance between technical constraints and your goals.

The workshop is offered at a flat rate of CHF 1,600.00 including tax, which includes:

- Pick-up directly upon arrival at Tenerife South Airport.
- Individual accommodation in double rooms in typical Canarian houses located in Masca, one of the most beautiful villages on the island of Tenerife. Full board (breakfast, light lunch on site, aperitif before dinner, dinner).
- 15 hours of shooting with our two models in groups of three photographers per model.
- Four sessions in four different locations.
- Technical and artistic support during the sessions, debriefing, analysis, and open discussion at the end of each day.
- Introduction to and experimentation with various printing and developing techniques in the lab. Equipment, chemicals, and consumables provided.

Highlights of the workshop

- **All inclusive!**
No surprises, no stress; you can devote all your energy to creating and enjoying your stay.
- **Participation limited to 6 photographers** for high-quality coaching and sessions without crowding.
- **Two experienced professional models.**
- **Exceptional, uncrowded locations** and well-prepared themed sessions.
- **Fully equipped photo lab and original recipes for unique results.**
- **Accommodation in Masca, an exceptional location on the island, with traditional, high-quality rooms and healthy, varied meals made with local produce.**

***CHF 1,600.00 Early Bird rate valid for all registrations made before April 1, 2026.**

From April 1, 2026, the flat rate will increase to CHF 1,800.00 including tax.

Not included in the package, to be paid by participants:

- **Airfare to Tenerife South.** (Easyjet flight on Saturday from Geneva).
- **Drinks for the evening meal, drinks for meals taken on site.**

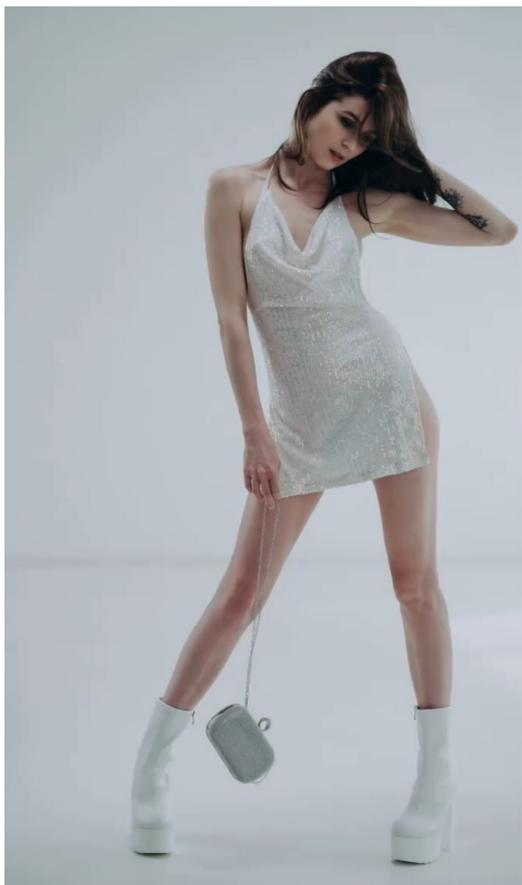

During the sessions with our models, you will have the opportunity to enrich your portfolio with images taken in iconic locations on the island. Each location is carefully chosen to allow you to express your creativity, improve your photographic technique, and develop your sense of staging.

The sessions take place in groups of three photographers per model. Each group receives technical and artistic support from one of the organizers, as well as constructive feedback from the model.

Tenerife offers a wide variety of unique landscapes, locations, and atmospheres. We have selected sites that will allow you to work on different facets of clothed, swimsuit, and artistic nude photography.

The lab + photo day will allow you to experiment with alternative printing and shooting techniques, including direct positive shooting, RA4 printing, and gum bichromate printing.

Our models for this first edition:

Anastasiia@anastasiia_chutteva

Born in Kyiv and now based in Germany, Anastasiia is an expressive model who is naturally at ease in front of the camera. Her artistic sense and understanding of the intentions of the photographers she works with make her the ideal model for those who want to experiment and progress.

Racquel @quelbrown

Originally from Jamaica, Raquel began modeling at a very young age for photographers from all walks of life. With fifteen years of experience as a model, mainly in the fields of fashion, lifestyle, and fitness, her experience and talent for improvisation make her an essential asset in creating spectacular photos.

Questions / Answers

Payment terms:

50% upon registration to confirm your place. 50% 30 days before the start of the workshop.

For cancellations made 60 days before the start of the workshop, a full refund will be given. Between 60 and 30 days, 50% will be refunded.

Do I need to bring my own camera equipment? Yes.

- We recommend bringing a camera you are familiar with, and at least one lens equivalent to 35mm and 80mm for 24x36, flash and tripods if suited to your shooting style.
- The lab is equipped for developing and printing black and white up to 6x6cm format. For personal use of the lab, a fee of CHF 20.00 per day is charged, which covers chemicals, paper, and small equipment.
- The organization provides reflectors for on-site sessions, as well as lab equipment.

What level of knowledge do I need to get the most out of the workshop?

- Basic knowledge of how a camera works in manual mode (aperture and shutter speed).

Is it possible to get more details about the program?

- One of the aspects we want to develop for our workshops is to surprise you by offering unusual locations and original scenarios. The details of the activities will be revealed to you on the day they take place.

I am not flying from Geneva and my arrival time is earlier/later than the scheduled transfer time.

- You can arrange your own transportation to Masca and check into your reserved room from 3:00 PM.

Are pets allowed? No.

Can I bring someone with me? Yes.

- The accompanying person may share the participant's room at no extra cost.
- Transportation to and from the airport is charged at CHF 100.00 round trip. (Local taxis charge EUR 240.00)
- The accompanying person may join the participants for lunch and dinner at a cost of CHF 60.00 per day.
- Accompanying persons may not join the groups during on-site or studio photo shoots, nor during laboratory sessions.

Can I extend my stay? Yes.

- However, if you wish to stay in Masca, please note that the rooms offered by Frédéric are usually booked two to three months in advance.

Do I need to have insurance? Yes.

- Cancellation, accident, illness, and repatriation insurance are the responsibility of the participants.
- Tenerife is located in Spain, so you should check your insurance coverage for Europe and probably specifically for the Canary Islands.

I have food allergies and am on a diet. Will the meals prepared be compatible?

- Meals are compatible with most common diets (vegetarian, vegan, etc.) upon prior request.
- Please note that most meals also include meat, which is prepared and cooked separately from vegetables and side dishes.
- For more restrictive diets or allergies, please contact us in advance.
